

## **Allspring Global Investments Elevates Henrietta Pacquement and Janet Rilling to Senior Leadership Roles in Fixed Income**

**CHARLOTTE, NC, March 9, 2022** — Allspring Global Investments™, a leading independent global asset management firm with \$575 billion<sup>1</sup> in assets under management, announced today that Henrietta Pacquement, CFA, and Janet Rilling, CFA, two veteran Allspring investment professionals, have been promoted to senior leadership roles in the firm's global fixed income department. Ms. Pacquement and Ms. Rilling have combined investment experience spanning nearly 50 years.

Henrietta Pacquement, with 20 years of investment experience, will lead Allspring's newly formed Global Fixed Income (GFI) team based in London. This brings together Allspring's London-based teams, Credit Europe and the Global Fixed Income (GFI), under Henrietta's leadership. By uniting its European investment grade credit resources with existing global fixed income capabilities, Allspring now provides a fully integrated global fixed income product offering.

Janet Rilling, with 26 years of investment experience, will lead Allspring's newly renamed Plus Fixed Income team, based in Menomonee Falls, Wisconsin. As announced recently, she will also add resources from the former Credit Europe team. By combining the firm's high-yield resources, Allspring will now provide globally integrated investment solutions to high-yield investors.

Joseph A. Sullivan, Allspring's Chairman and Chief Executive Officer, said, "Allspring is committed to elevating exceptional talent. Both Henrietta and Janet are two accomplished investment professionals who have made a difference and contributed to the success of the organization. We look forward to their ongoing contributions as we expand Allspring's fixed income investment teams' capabilities and deep knowledge of global markets."

Ann Miletti, Head of Active Equity at Allspring, added, "I am proud of the achievements of my colleagues in fixed income and their deserved promotions. Diversity of perspective and experience is not only essential in the workplace but also in our investment portfolios. We at Allspring are especially pleased to share this exciting news on the heels of International Women's Day and Allspring's support of this year's theme to #breakthebias related to bias, stereotyping and discrimination today and every day."
